Member Spotlight!

Steve & Roberta (Bertie) Stoeffler
By – Sandie Nuttall

They first met in a restaurant in Pahoka, FL where they both stopped for lunch. Bertie remembers being embarrassed as she was coming in out of the bean field and was covered with dirt. She needn't have been concerned though as Steve was smitten! After a wonderful courtship, they were married on May 26, 1956 and Steve, Bertie and her two daughters became a family. In 1960 they were blessed with another daughter. They made their home in Florida where Bertie stayed home and raised the children and enjoyed ceramics, while Steve worked in various places throughout the world. In 1977 he was sent to the island of Java in Indonesia for 5 years building a cement plant. After taking some well deserved time off, he took another job and was sent to Turkey to build a power plant for 18 months. Bertie stayed in Florida and tells of a time when she took it upon herself to buy some land and a new home and moved the family to St. Cloud, FL. After retiring they moved to Maryville to be near their daughter. Recently they purchased a new home where Steve can rekindle his passion for gardening. They had an open house last month with their family, friends, Church family and many new friends from Everett Senior Center. They are certainly enjoying their "golden years" surrounded by their daughters, six grandchildren, multiple great grandchildren and even a few great-great grandchildren! They are also enjoying their time here at Everett Senior Center where they play Scrabble every Wednesday and Mexican Train Dominoes every Friday!
