

SPRING ARTS & CRAFTS SHOW

Eligibility

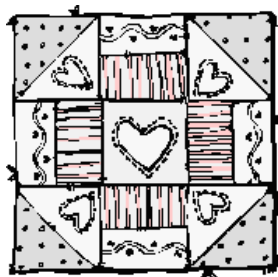

This is a juried show open to anyone 18 years of age or older, whose work reflects original design and quality execution. At least three (3) photos must accompany each application and must be a representative of all art and craft media intended for sale and display. Please use high quality photos with name and address label on back. All photos will be returned to you upon check-in.

Selection Process

Entry deadline is March 16. Only exhibitors displaying their own original work, which has been approved by the show jury, may participate. The following items will **NOT** be permitted: items made with commercial molds or kits, commercially-manufactured merchandise, **food/edible items**, or items made largely from commercially-made parts. Parks & Rec. reserves the right to request the removal of items deemed unsuitable for the show. For a balanced selection of goods, a limit on the number of exhibitors with similar items will be made. Therefore, it is important that you send your application in early.

Demonstrations

All exhibitors are encouraged to demonstrate their work, but it is not required.
